

A Very Brief Daily Devotional

written and performed by Brandon Newberg throughout 2006, often while traveling

Items needed:

Water

Altar token (to remind one of the altar and all its symbols—I used my earth mother stone)

(hold altar token in hands to attune to the cosmos)

(dip finger in water and touch to altar token)

Hail, Earth Mother, whole and holy, honor unto thee!

I offer now as the ancients did to the Kindreds Three!

(dip finger in water and raise in offering, once for each)

To the Ancestors: water, may it strengthen thee!

To the Nature Spirits: water, may it strengthen thee!

To the Gods and Goddesses: water, may it strengthen thee!

I give my gifts to the Kindreds Three,

Now let your blessings strengthen me!

Hear my prayer and give to me:

(desired blessings—I usually chanted the nine virtues at this point)

Hail the Kindreds, strong in me!

Thanks be to the Kindreds Three!

Peace to all beings, so may it be!

The rite is ended.
