

Waters Module

By Rev. Michael J Dangler

Endless are the Waters
Joyfully flowing
Thoroughly cleansing
Never sleeping
Endlessly flowing in channels
Furrowed by Taranis
The Great Bull
The Thunderer

Shining Ones, give us the Waters!

These are the Waters from the Heavens
Waters from the Earth
Waters gushing free.
Alone, Shining Waters
Roaring in blessings
Beautifully flowing to the ocean

Shining Ones, give us the Waters!

Presiding over the flowing Waters
Are the Shining Ones
Who know truth from falsehood.
Shining Ones, givers of Blessing
Knowers of cosmic order
Ceaselessly purifying

Shining Ones, give us the Waters!
