

Call to Sleipnir to be Gatekeeper

Sleipnir! Brother!, Son of Loki, Steed of Odin! You travel all nine worlds bearing Odin on your back, bringing messages with you as you go. Beautiful Stallion of Odin, you traveled to Hel to bring back Balder and yet only brought back a message. Sleipnir, aide me in bringing my words where they need to go. Bring back to me what I need to hear. Sleipnir, aide me as my gatekeeper tonight.

Sleipnir! Accept my Sacrifice (grains)

Now, Sleipnir, join your magic with mine. Let the well open as a gate, let the fire open as a gate, let the tree be the crossroads, open to my voice and open to the spirits. Let the Gates Be Open!
