

**Offering Poem**  
**By Doreen Taylor**

This offering poem was written for those who haven't specifically connected with their patron deity; however, it can also be adapted for use with a specific deity in mind, such as Dionysos.

I offer to you  
This red wine  
Made from the sacred fruit of the vine

I offer to you  
This red wine  
The colour of my own life's blood

I offer to you  
This red wine  
Intoxicating but not as intoxicating as you

I offer to you  
This red wine  
For thanks for favours granted

I offer to you  
This red wine  
In love and devotion

I offer to you  
This red wine  
Accept my sacrifice, Great One

I offer to you  
This red wine
